Compex®

NEW
Fit 5.0

The following scores were obtained:

Design: 9.6 • Ease of use: 9.7 • Innovation: 10

Global Notation: 9.7

Judges Comments

- “ I am a fitness addict and I always have a heavy heart when I go on holiday because I know that I will not be able to follow my group classes. With the Fit 5.0, I can go on training even on holiday. ”
- “ A simple menu, a wireless product, no waffle, it's highly efficient, perfect for abs, pecs but also to relax your legs for example. ”
- “ Shaping your belly is very complicated by making traditional abs but it is very easy with this product. It's perfect in addition to sport and it works at specific areas of my body. ”
